Scum

Depeche Mode

Hey scum, hey scum What have you ever done for anyone? Hey scum, hey scum What are you gonna do when karma comesA-calling, and you're falling And there's nowhere left to run And you're weeping, and not sleeping And you're begging for your gunPull the trigger Hey scum, hey scum What have you ever done for anyone? Hey scum, hey scum What are you doing judgement time has come? You kneel, and you squeal And you're looking for someone To bear witness to your goodness You can't even find your sonPull the trigger Pull the triggerYou wouldn't even offer up your crumbs To the dying, and the crying You're dead inside, you're numb You're hollow, and shallow Your empty life is done Pull the trigger Pull the trigger (Hey scum, hey scum) Pull the trigger (Hey scum, hey scum) Pull the trigger
