

# London (feat. Grigory Leps) [Dimaro Remix]

## DJ Antoine & Timati

It only happens here in London  
It only happens in London  
Where the freaks come alive  
We are wreckless and wild  
We're the kings of the night  
It only happens here in London They say London Bridge is falling  
I say the UK ballin  
The Arabs pulling them whips out  
They love to go all in  
Abramovich bought Chelsea  
Russia put them chips up  
The Pound is still the best currency  
If you really trying to live it up  
I just touch down in Heathrow  
In that G6 fuck that G4  
Ain't worry about no jet lag  
I came to party with my people  
It only happens here in London  
It only happens in London  
Where the freaks come alive  
We are wreckless and wild  
We're the kings of the night  
It only happens here in London  
We got the fire burning red hot  
And we never stop  
Give it all you got  
In this city we go until we drop  
It only happens here in London  
That London Eye keeps spinning  
Watching all the beautiful women  
Them imports from Milan  
European models still winning  
At tea time I pop champagne  
Wiling out like Soho  
You can find me in the Hyde Park  
One of those places I call home  
I just shut down Harrods  
Harry Winston for them carats  
Shout out to my killers in Brixton  
And to my niggas in Paris Tonight is all we got  
So let's take the fast lane  
If we live let's see tomorrow

We can do it again  
There's no place in the world  
That I'd rather be than here with you  
It only happens here in London  
It only happens in London  
Where the freaks come alive  
We are wreckless and wild  
We're the kings of the night  
It only happens here in London  
It only happens in London  
Where the freaks come alive  
We are wreckless and wild  
We're the kings of the night  
It only happens here in London  
We got the fire burning red hot  
And we never stop  
Give it all you got  
In this city we go until we drop  
It only happens here in London
