

# You're Wondering Now

[Amy Winehouse](#)

You're wondering now, what to do, now you know this is the end  
You're wondering how, you will pay, for the way you misbehaved  
First time I swallowed, now  
you're on your own  
I won't return, forever you will wait  
You're wondering now, what to do, now you know this is  
the end  
First time I swallowed, now you're on your own  
I won't return, forever you will wait  
You're wondering now, what to do, now you know this is  
the end  
You're wondering how, you will pay, for the way you misbehaved  
You're wondering now, what  
to do, now you know this is the end  
You're wondering how, you will pay, for the way you misbehaved  
You're wondering now, what to do, now you know this is the end  
You're wondering how, you will pay, for the way you misbehaved
