

Straight from My Heart

Sean Paul

Yeah, yeah, wo, woo
Yeah, yeah, I love you
(Mamma)
Wo, woo, yeah, yeah
Yeah, yeah, yo, yo
Mamma, I love you
(Yeah)Yeah, yeh
(Wooaa)
Wo, woo
(Wooaa)(I love you)
Ya knoamean?
(Yo, yo, yo, yo, ow)

Arite

This one comes straight from my heart
I gotta give you thanks and praises
Straight from my heart
For every time that you been thereStraight from the start
You grew me up from I was a baby
Straight from my heart
Mamma, I love you dearOh mamma, I've been searchin'
For the right word to say to you for so long
To display to you di strong bond
The emotion all connection we got
For the love that you gave year to year
Before I was born up to the time I were thereTru the struggle mamma don't despair
When poppa never deh, deh maybe he was scared
But you never feared, always prepared to share
Two young sons now just look it a best
Give thank for all your blood, sweat and tears
Oh mamma, I will always be there
Appreciate the windsom you share
Oh mamma, don't worryYow, cau the truth is mamma never left us no time
That's the truth, all the truth, spiel the truth, a the truth
All due times arrived she never left us behind
That's the truth, feel the truth, share the truth, the real truthSo anyway Jah take wi down life
avenues
That's the truth, all the truth, dis a the truth, spiel the truth
I'll never leave you mamma
I'll always be your youth, the truth, the truthAnd this one comes straight from my heart
I gotta give you thanks and praises
Straight from my heart
For every time that you been thereStraight from the start

You grew me up from I was a baby
 Straight from my heart
 Mamma, I love you dear So mamma don't yuh worry
 Nah fret about de way dat I been living
 I'm strictly thanks-giving, 'cause you hav been a blessing
 The lesson you taught, we cannot forget
 There in our minds, mamma you know it's sad The thought dat to maintain dat obtained
 These material tings that cannot conquer my brain
 My sould is intact, mamma hear what I'm saying
 Doan cry no mo' I feel your pain Everyday mamma I keep on praying
 You know you'll neva lose me to faith
 I'm sorry for the times I complained
 Mamma, let me tell you clear an plain Yow, the truth is mamma you neva let us down
 That's the truth, spiel the truth, a the truth, the real truth
 An due times arrived you still did wear the crown
 That's the truth, feel the truth, share the truth, the real truth So anyway Jah tek mi down life
 avenues
 That's the truth, dis a the truth, mamma tek dis a the truth
 I'll never leave you mamma
 I'll always be your youth, the truth, the truth And this one comes straight from my heart
 I gotta give you thanks and praises
 Straight from my heart
 For every time that you been there Straight from the start
 You grew me up from I was a baby
 Straight from my heart
 Oh mamma, I love you dear And this one comes straight from my heart
 I gotta give you thanks and praises
 Straight from my heart
 For every time that you been there Straight from the start
 You grew me up from I was a baby
 Straight from my heart
 Oh mamma, I love you dear And this one comes straight from my heart
 I gotta give you thanks and praises
 For every time that you been there Straight from my heart
 Every time, every time mamma
 Straight from my heart
 Mamma, I love you dear
