

WHY/ARGUMENTS PT. 2

DDG

Why, why, why, why you keep fuckin' tryin' me?
What's up with all this motherfucking lyin'?
In?a?minute I'm about?to stop tryin'
We vibin' it's the?right thing
Tryna convince me that it's my fault
Why we go up and down just like a seesaw?
All you wanna do is cause drama, mix with wonder, you my karma
Why you gotta talk yo shit like everyday yeah
Baby I gave you love I need a break, yeah
Want some plays, yeah
We should be fair
You know how to push my buttons, let's not go there
Why you gotta be like that, like that?
Tell me why you gotta be like that?
You know it don't have to be like that, like that
You know it don't have to be like that
You always tryna hurt (Somebody, body)
Why don't you try to love (Somebody, body)
You don't have to be like that, like that
Baby you don't have to be like that Let's just be okay (Yeah)
We ain't gotta fake (Yeah)
Everything we don't do don't have to be a debate (Yeah)
Shit's getting heavy (Yeah)
Way too much weight (Yeah)
Turning nothing into something, fuck up out my face
Let's face it
You know you know that I'm patient
But I don't wanna have a look back at all
these years and say, "This time been wasted"
We just fuckin' fight and I sacrifice every night
Don't even know what you like
You not even right, no I am not the jealous type
You ain't even outta lies
Why you gotta be like that, like that?
Tell me why you gotta be like that?
You know it don't have to be like that, like that
You know it don't have to be like that
You always tryna hurt (Somebody, body)
Why don't you try to love (Somebody, body)
You don't have to be like that, like that
Baby you don't have to be like that
