

Teacher, Teacher

38 Special

Just when I thought I finally - learned my lesson well
There was more to this than meets the eye
And for all the things you taught me, only time will tell
If I'll be able to survive, oh yeah Teacher, teacher, can you teach me?
Can you tell me all I need to know?
Teacher, teacher, can you reach me?
Or will I fall when you let me go? Oh no. Am I ready for the real world - will I pass the test?
You know it's a jungle out there.
Ain't nothin' gonna stop me, I won't be second best,
But the joke's on those who believe the system's fair. Oh yeah!
Teacher, teacher, can you teach me?
Can you tell me if I'm right or wrong?
Teacher, teacher, can you reach me?
I wanna know what's goin' on, all right So the years go on and on, but nothing's lost or won.
And what you learned is soon forgotten.
They take the best years of your life,
Try to tell you wrong from right,
But you walk away with nothing. Oh no Teacher, teacher, can you teach me?
Can you tell me all I need to know?
Teacher, teacher, can you reach me?
Or will I fall when you let me go? Teacher, teacher, can you teach me?
Can you tell me if I'm right or wrong?
Teacher, teacher, can you reach me?
I wanna know what's goin' on, Ohhh
Teacher, teacher - can you teach me?
Teacher, teacher - can you reach me?
Teacher, teacher - can you teach me?
Teacher, teacher - Ohhh yeah.
Teacher, teacher
Teacher, teacher
