## Bush

Somewhere, sometime  
All things will be fine  
And it never seems to stop Wonder if I've met my wife Somewhere, sometime  
All things will be fine  
And it never seems enough Wonder if I've met my wife  
Splinter left, focus right  
Focus right This mortal soil around me  
Mortal feeling I have found  
Surrounded by your glory  
Hold me now so that I never drown And it never seems to stop  
Somewhere, sometime  
Wonder if I've met my wife  
Splinter left, focus right  
Focus right
