

# Never Let Me Down

[VIZE & Tom Gregory](#)

You've got a hold on me  
You take control of me  
Just don't let go of me  
I don't wanna lose you  
You've got my head spinning  
Quit all the bad thinking  
Want you to last with me  
I don't wanna lose you  
Hold on me, take control of me  
Don't let go of me, oh, never let me down  
Down, down, d-d-d-d-down  
Down, d-d-d-d-down  
Down, d-d-d-d, never me let me down  
Give me higher ground  
Baby, lift me higher now, now  
Turn me right around  
Never let me down  
Give me higher ground  
Baby, lift me higher now, now  
Turn me right around  
Never let me down  
Down, down, d-d-d-d-down  
Down, d-d-d-d-down  
Down, d-d-d-d, never me let me down  
Down, down, d-d-d-d-down  
Down, d-d-d-d-down  
Down, d-d-d-d, never me let me down  
Don't have to say nothing  
You've got my mind running  
Feel like I'm free falling  
I don't...
