

# Zillionaire

## Flo Rida

I gotta ask where you been hiding  
You're like a 20 karat diamond  
The finer things in life were shining  
How 'bout that late night wine and dining?  
You want that expensive clutch  
And I'mma give that 5-star experience  
Yeah, show you the kinda love  
That you can only get when you get the love I spend it all on you, baby baby, just watch  
A BMW, a Bugatti, thick rock  
Get you a fancy act any chance I got  
When I become a zillionaire  
I'll spend it all on shoes for you, take your own pick  
McQueen or Jimmy Choo and I'll get 'em real quick  
Get you a fancy act any chance I got  
When I become a zillionaire  
I'm gonna work it to impress you  
Get you that dress and then undress you  
Oh, we'll do things only the best do  
Do what you want because I'll let you  
You want that expensive clutch  
And I'mma give that 5-star experience  
Yeah, show you the kinda love  
That you can only get when you get the love  
I spend it all on you, baby baby, just watch  
A BMW, a Bugatti, thick rock  
Get you a fancy act any chance I got  
When I become a zillionaire  
I'll spend it all on shoes for you, take your own pick  
McQueen or Jimmy Choo and I'll get 'em real quick  
Get you a fancy act any chance I got  
When I become a zillionaire  
Abracadabra, I got the magic  
I hope you can handle  
Living this lavish  
Let's blow a zillion, zillion, baby  
If you got a passion for fashion  
[?]  
I got the answers to questions  
So let me tell you what's happening, baby I spend it all on you, baby baby, just watch  
A BMW, a Bugatti, thick rock  
Get you a fancy act any chance I got  
When I become a zillionaire

I'll spend it all on shoes for you, take your own pick  
McQueen or Jimmy Choo and I'll get 'em real quick  
Get you a fancy act any chance I got  
When I become a zillionaire  
A little bit of you, yeah  
A little bit of me, yeah  
A little bit of you, yeah  
When I become a zillionaire  
A little bit of you  
When I become a zillionaire
