

Caroline

Alex Clare

Leave your back door open for me and i
put your keys in under the door on time
seems we've been waiting for a long time
my delay surely will be a crime
you know whether we can do anything
i know that you can do everything
you said that we should try many things
let's make an hour so we can do everything
i can find a way to make you love me
more than you do caroline
i don't want to waste my time unless i'm loving you
my dear caroline, caroline, caroline
we had each other for too short a while
you caught my soul with your gentle smile
i can swim in your eyes so deep
rest my lips upon yours so sweet
you know just how i feel for you
i know that my love is true
i'ma tired, i've been feelin' blue
just let me do what i want to do
i can find a way to make you love me
more than you do caroline
i don't want to waste my time unless i'm loving you
my dear caroline, caroline... caroline
i've tried all i can
there's no getting through
hope you get all you deserve
and some happiness too
i'm sure there's a better man
somewhere waiting for you
but if he doesn't come along
you know i'll be waiting here for you
i can find a way to make you love me
more than you do caroline
i don't want to waste my time unless i'm loving you
my dear caroline i can find a way to make you love me
more than you do caroline
no i don't i don't wanna waste my time
unless i'm loving you
my dear caroline, caroline, caroline, caroline
no oh caroline
