

# Caroline

Alex Clare

Leave your back door open for me and i  
put your keys in under the door on time  
seems we've been waiting for a long time  
my delay surely will be a crime  
you know whether we can do anything  
i know that you can do everything  
you said that we should try many things  
let's make an hour so we can do everything  
i can find a way to make you love me  
more than you do caroline  
i don't want to waste my time unless i'm loving you  
my dear caroline, caroline, caroline  
we had each other for too short a while  
you caught my soul with your gentle smile  
i can swim in your eyes so deep  
rest my lips upon yours so sweet  
you know just how i feel for you  
i know that my love is true  
i'ma tired, i've been feelin' blue  
just let me do what i want to do  
i can find a way to make you love me  
more than you do caroline  
i don't want to waste my time unless i'm loving you  
my dear caroline, caroline... caroline  
i've tried all i can  
there's no getting through  
hope you get all you deserve  
and some happiness too  
i'm sure there's a better man  
somewhere waiting for you  
but if he doesn't come along  
you know i'll be waiting here for you  
i can find a way to make you love me  
more than you do caroline  
i don't want to waste my time unless i'm loving you  
my dear caroline i can find a way to make you love me  
more than you do caroline  
no i don't i don't wanna waste my time  
unless i'm loving you  
my dear caroline, caroline, caroline, caroline  
no oh caroline
