

# BAD BACK (feat. GoldLink)

## Jackson Wang

[Intro]

Sean Turk

I'm boomin' with my trap song [Verse 1: Jackson Wang]

Bad blood, I hate it when we're toxic

You love? it? when I take? you shopping

New whip, and know that? thing exotic

Top speed, we flyin' like a rocket

Don't ask me twice if I love ya

Slow down, you know I don't trust ya

And somewhere you wish you could be with me

[Pre-Chorus: Jackson Wang]

I know that you're bad, I know that you're bad

Know your man's mad, know your man's mad

Fendi on her bag, Fendi on her bag

Just like that we bring it bad back, bad back

I know that you're bad, I know that you're bad, yeah

Know your man's mad, know your man's mad, yeah

Fendi on her bag, Fendi on her bag

Just like that we bring it bad back, bad back [Chorus: Jackson Wang]

Bad back, bad back

Bad back, bad back

[Verse 2: Jackson Wang]

Bad girl, you got too many options

They know you walk it like you talk it

No time for drama, no gossip

Quit playin' games, you gotta stop it

Don't ask me twice if I want it

I shouldn't have to say nothin'

Ain't no one else gonna do it like me [Pre-Chorus: Jackson Wang]

I know that you're bad, I know that you're bad

Know your man's mad, know your man's mad

Fendi on her bag, Fendi on her bag

Just like that we bring it bad back, bad back

I know that you're bad, I know that you're bad, yeah

Know your man's mad, know your man's mad, yeah

Fendi on her bag, Fendi on her bag

Just like that we bring it bad back, bad back [Chorus: Jackson Wang]

Bad back, bad back

Bad back, bad back [Verse 3: GoldLink]

Yeah, back, back, back it up

Throw that money, rack it up

And watch your ass count it up

When I see ya, drop it on back  
Why don't ya back it up  
While my partners runnin', tryna love ya, tell him, "Back it up"  
I mean, ya mean, the genes crazy, got me talkin' crazy  
I mean, got your ex-man stalkin' crazy  
I mean, I gotta love you when I find ya girl  
I promise I can put your ass on camera, just to back it up[Pre-Chorus: Jackson Wang]  
I know that you're bad, I know that you're bad  
Know your man's mad, know your man's mad  
Fendi on her bag, Fendi on her bag  
Just like that we bring it bad back, bad back  
I know that you're bad, I know that you're bad, yeah  
Know your man's mad, know your man's mad, yeah  
Fendi on her bag, Fendi on her bag  
Just like that we bring it bad back, bad back[Chorus: Jackson Wang]  
Bad back, bad back  
Bad back, bad back
