One of a Kind

Guardian

The search goes on Looking for a lasting love Out in the night Been all around Seems like real love can't be found Well I need I now I'm searching for aOne of a kind I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind loveIt's plain to see My Desires can take me So tar away Just like a fire Burns in me a new desire For a love that's higher I m searching for a One of a kind I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind One of a kind love I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind I wanna one of a kind love One of a kind I wanna one of a kind love
