

Truth'll Set You Free

Mother's Finest

If I was blind and I could not see
Would you lend a hand to try and help me
Life is full of ups and down you can't
Face them wearing a frown tell your mind
To be cool brother man free your soul
Don't be no fool Truth gonna set you free
Truth gonna set you free
Truth gonna set you free Whoop, Whoop, Whoop Ba-Ba-Ba Booie, Booie
Yeh, Yeh, Whoa Yeh- Said I, I wasn't gonna tell nobody, but I just
Couldn't keep it lord, lord to myself, so I put
My soul in motion, got true love and devotion Put my trust in the man cause he's the only one
Who can give you Truth gonna set you free
Truth gonna set you free
Truth gonna set you free You've got to be yourself and let yourself be
Felt, cause if you wanna be free whoop whoop who
Ba, ba, ba, booie, booie, yeh, yeh, yeh whoa ye Someday it's gonna be all-right sho'as the sun
shines down it's gonna be all-right. Someday gonna make it true, like the sun flower follows the
sun I'm gonna follow you yeh, yeh, yeh, whoa yeh. I've been searching, i've been seeking
I've been looking for some happiness
