We got London on da track  
Classic  
Kiddo, KiddoKiddo on the beat, better run it back  
Say she lookin' through my eyes and she  
seeing designers  
Gucci, Dolce & Gabbana (Dolce & Gabbana)  
Dolce & Gabbana (Dolce & Gabbana)  
Yeah  
Said see she lookin' through my eyes and she seeing designers  
Aye, Dolce & Gabbana (Dolce & Gabbana)  
Got me goin' bananas (Goin' bananas)  
Aye  
Pass me the kpo, pass me the cho  
Pass me the thing wey dey make me go  
Pass me the codeine, make me slow  
Pass me the kpokpo di kpo  
When I look into your eyes, all I see is your waist  
Through that African waist  
And I don't got no time to waste  
No dey make me dey chase  
You know time is of the essence  
Come and give me blessings  
Let it rain down on me  
We got no time to waste  
Come get a taste  
Fulfill all my fantasies, oh  
We start from the bed to the floor (floor)  
Can you give me more and more?  
Never had like this before  
Whoa-whoa-whoa  
Wanna give it all to you-ou-ou  
I wanna give it all to you-ou-ou  
'Cause when I look  
Say she lookin' through my eyes and she seeing designers (Yeah)

Got me goin' bananas (Bananas)
