

Big Love

Mr. Big

I swear by love, you've got it all
And much more than one could ever hope for
I would take a number just to wait in line for a look
And to gimme the high sign
Red lights green lights
Go for the gold
Something inside, I want you now
I want it all and more than you know
My mind is twisted, tied up in knots
My heart is achin' from a shot in the dark
I got a feeling what this is all about
I think it's time for the big love
I'm gettin' ready for the big love
Everytime I think about you I get a lump in my throat
From the big beat in my heart
I am helpless, hungry for attention
I know... you could see me fall apart
Red lights green lights
Go for the gold
Something inside, I want you now
I want it all and more than you know
My mind is twisted, tied up in knots
My heart is achin' from a shot in the dark
I got a feeling what this is all about
I think it's time for the big love
I'm gettin' ready for the big love
Ready, willing and able,
Give me the chance to show you
I want it all, yeah, more than you know
My mind is twisted, tied up in knots
My heart is achin' from a shot in the dark
I got a feeling what this is all about
I think it's time...
My mind is twisted, tied up in knots
My heart is achin' from a shot in the dark
I got a feeling what this is all about
I think it's time for the big love
I'm headin' straight to the big love
I'm comin' back, comin' back to the big love
I'm gettin' ready for the big love
