

Memories Can't Wait

Talking Heads

Do you remember anyone here?
No you don't remember anything at all
I'm sleeping, I'm flat on my back
Never woke up, had no regrets
There's a party in my mind
And it never stops
There's a party up there all the time
They'll party till they drop
Other people can go home
Everyone else will split
I'll be here all the time
I can never quit
Take a walk through the land of shadows
Take a walk through the peaceful meadows
Don't look so disappointed
It isn't what you hoped for, is it?
There's a party in my mind
And I hope it never stops
I'm stuck here in this seat
I might not stand up
Other people can go home
Everyone else will split
I'll be here all the time
I can never quit
Everything is very quiet
Everyone has gone to sleep
I'm wide awake on memories
These memories can't wait
Memories can't wait
These memories can't wait
These memories can't wait
These memories can't wait
