

# Now That She's Gone

## Destiny's Child

Now that she's gone you wanna come back  
Well is that a fact?  
You got it like that?  
You made me wait too long, I'm gone  
Now that she's gone you wanna come back  
Is that a fact?  
Think you've got it like that?  
You made me wait too long, I'm gone Take her to the movies  
Dinner all the time  
Shoppin' sprees for her  
On me you never spent a dime  
But I was there for you  
When you had nothing at all  
Then you got a little job and  
She's the one you call and  
Now that she's gone you wanna come back  
Well is that a fact?  
You got it like that?  
You made me wait too long, I'm gone  
Now that she's gone you wanna come back  
Is that a fact?  
Think you've got it like that?  
You made me wait too long, I'm gone You've taken me for granted  
But you only get one chance  
Then you left me hurting  
And it won't happen again no, no  
So she finally left you  
It ain't no surprise  
That you miss your water  
'Cause your well went dry  
Now that she's gone you wanna come back  
Well is that a fact?  
You've got it like that?  
You made me wait too long, I'm gone  
Now that she's gone you wanna come back  
Is that a fact?  
Think you've got it like that?  
You made me wait too long, I'm gone Understand?  
I understand  
Why you think I want you back?  
After what you did to me  
Did you think you blinded me?

Boy you know whatever you do  
It will all come back to you  
'Cause you tried to play me like a fool  
Understand?  
I understand  
Why you think I want you back?  
After what you did to me  
Did you think you blinded me?  
Boy you know whatever you do  
It will all come back to you...Now that she's gone you wanna come back  
Well is that a fact?  
You've got it like that?  
You made me wait too long, I'm gone  
Now that she's gone you wanna come back  
Is that a fact?  
Think you've got it like that?  
You made me wait too long, I'm gone [(repeat)]Thou shall not leave me wondering
