

# Blue Lips

Regina Spektor

He stumbled into faith and thought  
God this is all  
There is  
The pictures in his mind arose  
And began  
To breathe  
And all the gods in all the worlds  
Began colliding on a backdrop of blueBlue lips  
Blue veins  
He took a step  
But then felt tired  
He said, I'll rest  
A little while  
But when he tried  
To walk again  
He wasn't  
A child  
And all the people hurried past  
Real fast and no one ever smiledBlue lips  
Blue veins  
Blue, the color of our planet from far, far away  
Blue lips  
Blue veins  
Blue, the color of our planet from far, far away  
He stumbled into faith and thought  
God this is all  
There is  
The pictures in his mind arose  
And began  
To breathe  
And no one saw and no one heard  
They just followed  
Lead  
The pictures in his mind awoke  
And began  
To breedThey started off beneath the knowledge tree  
Then they chopped it down to make white picket fences  
They marched along the railroad tracks  
And smiled real wide for the camera lenses  
They made it past the enemy lines  
Just to become enslaved in the assembly linesBlue lips  
Blue veins

Blue, the color of our planet from far, far away  
Blue lips  
Blue veins  
Blue, the color of our planet from far, far away  
Blue  
The most human color  
Blue  
The most human color  
Blue  
The most human color  
Blue lips  
Blue veins  
Blue, the color of the planet from far, far away
