

Heavenly

Peabo Bryson

Feels like heaven, sweet darling
(Heavenly)
Baby, baby, baby
(Heavenly)
Heavenly For the first time I do believe that
I've been swept off my feet
In all my life I've, I'd wonder whether
This would ever be There's a place where only you could ever take me
I get lost in your arms
It's so strong, I am powerless to fight it
I surrender my life
Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part
Heavenly, heavenly I wanna thank you
You're the reason for all that I am
'Cause without you I'd be lost, baby
You're all that I have There's a place that only you could ever take me
I get lost in your arms
It's so strong, I am powerless to fight it
I surrender my life Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part
Baby, won't you touch me, feel me
Until I'm over flowing?
Let me show you how much
Your love means to me Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part Heavenly is how I feel now that you're inside me
Since you came and you touched my heart
Can it be love is real now that you make me see?
Heavenly, say we'll never part Heavenly, heavenly
Heavenly, heavenly
Heavenly, heavenly
Heavenly, heavenly
