

# What'll I Do? (feat. Lani Hall)

## Herb Alpert

Wish I was your child  
Hold me in your heart  
We could love so free  
and know it never part  
But I'm not a child  
And wishes  
are just child's play, my love  
No I'll never be afraid  
of who I am  
And who I'm not,  
come what may  
Wish I was a bird  
I warmed you with my wing  
safe from all the storm  
You know true love can bring  
But I'm not a bird  
And wishes  
can just fly away, my love  
and I'll never be afraid  
of who I am  
And who I'm not,  
come what may  
La la la la la la la...  
While I'm the moon  
shining in your eyes  
and you're the stars, my love  
Now we'll never be afraid  
of who we are  
And who we're not,  
come what may  
of who we are  
And who we're not,  
come what may  
Of who we are  
and who were not,  
come what may...
