

Ego

Jay Critch

Turn me up Hood Fave!
Sign't it!

Jamz turn me up Hopping out they recording like Ti
Vo Make a movie then making a sequel All these diamonds is boosting
my ego Diamonds is dancing like Ne-Yo But a nigga so cold,
frio Got them touching they toes, freak hoes It was me and the bros,
3-0 She said i get the dough,
we know Shawty looking for someone to save her She go down she doing
the favors This loud is waking the neighbors Mama proud I got me some
paper Niggas don't want no smoke,
no vapor They say I'm a playmaker Touch down in L.
like the Lakers I been on my grind like a skater Hood Fave,
had to go make a move I finessed the world for them dividends With
this chain, I can't step in this room,
it's way too much water I'm swimming in Look at the women I'm
swimmin' in Had to go run up a bag just to shit again Niggas be
bitches, they acting all feminine I'm in the Bentley,
it used to be minivan Run up on me, is you kidding man?
You don't wanna see my 30's in the minivan Sippin' lean,
I be high to the ceiling fan Juggin' P's,
I was never the middle man She a skeeze,
should've hit it and quit it man Balmain jeans,
all these racks gotta fit it in I do me,
I ain't worried about fitting in In a V,
going right to the Benjamins And the way my diamonds hit,
real sunny Running out of time,
better get you some money I don't know who you is,
you dummy I pulled up in a Louis fit,
real smutty I remember back then, she was frontin' on a kid,
now the bitch trying to give me cu-di They be hating on a kid cause
I'm getting backends But that's just how it is,
shit funny Hood Fave bitch,
your whole hood love me I just hit the stage,
brought the whole hood with me If I tell them to spray,
they all would for me Oh that's your bae,
put dick in her tummy All my chains make the hoes blink twice All
this ice got 'em acting polite Pockets right,
I don't need your advice Pour the sprite,
I'll be good for the night Hopping out they recording like Ti
Vo Make a movie then making a sequel All these diamonds is boosting
my ego Diamonds is dancing like Ne-Yo But a nigga so cold,
frio Got them touching they toes, freak hoes It was me and the bros,

3-0 She said I got the dough,
we know Shawty looking for someone to save her She go down she doing
the favors This loud is waking the neighbors Mama proud I got me some
paper Nigga's don't want no smoke,
no vapor They say I'm a play-maker Touch down in L.
like the Lakers I been on my grind like a skater I'm in the
penthouse, but I came from the basement Just in penthouse,
cookie my fragrance Smoking cookie,
shawty say she could taste it Once I hit it,
I'ma need the replacement Cashing bags and we ducking them cases '
Lotta cash, gotta ice out the bracelet Try to take it and you gon'
need a face lift 30s with me,
they ain't leaving no traces Only blue hundreds,
I'm a racist How my crew stunting, it's amazing They was doubting,
didn't think I would make it Now they acting proud,
know they faking They ain't hand it out,
had to take it We came from the ground,
from the pavement Please don't run your mouth,
boy don't say shit Money all around,
tell her rake it Hopping out they recording like Ti
Vo Make a movie then making a sequel All these diamonds is boosting
my ego Diamonds is dancing like Ne-Yo But a nigga so cold,
frio Got them touching they toes, freak hoes It was me and the bros,
3-0 She said I got the dough,
we know Shawty looking for someone to save her She go down she doing
the favors This loud is waking the neighbors Mama proud I got me some
paper Nigga's don't want no smoke,
no vapor They say I'm a play-maker Touch down in L.
like the Lakers I been on my grind like a skater
