

Grinder

Judas Priest

Never straight and narrow
I won't keep in time
Tend to burn the arrow
Out of the line Been inclined to wander
Off the beaten track
That's where there's thunder
And the wind shouts back Grinder
Looking for meat
Grinder
Wants you to eat Got no use for routine
I shiver at the thought
Open skies are my scene
That's why I won't get caught
Refuse to bite the mantrap
Be led to set the snare
I love to have my sight
Capped everywhere Grinder
Looking for meat
Grinder
Wants you to eat I've held my licence
It came with birth,
For self reliance on this earth
You take the bullet
On which my name
Was etched upon in your game Day of independence
Stamped us like a brand
Round the necks of millions
To the land
As the mighty eagle
I need room to breathe
Witness from the treadmill
I take my leave Grinder
Looking for meat
Grinder
Wants you to eat Grinder
Looking for meat
Grinder
Wants you to eat Grinder
