

# Pull the Curtains

## Grandaddy

Pull the curtains on the day  
(aaaaaaaaaaaaah)  
Sometimes it is the only way  
(aaaaaaaaaaaaah) Pull the curtains on the day  
Sometimes it is the only way Pull the curtains on the night  
Sometimes it isn't worth the fight Sometimes you gotta turn it off  
Man, you gotta walk away  
And then sometimes you gotta say  
"This is gonna be the day"  
Sometimes you gotta turn it off  
Yeah, you gotta walk away  
And then sometimes you gotta say:  
"There ain't no other fuckin' way" Sometimes you gotta turn it off  
Man, you gotta walk away  
And then sometimes you gotta say:  
"This is gonna be the day" Sometimes you gotta turn it off  
Yeah, you gotta walk away  
And then sometimes you gotta say:  
"There ain't no other fuckin' way" Pull the curtains on the day  
(aaaaaaaaaaaaah)  
Sometimes it is the only way  
(aaaaaaaaaaaaah)  
(the way, the way, the way, the way)  
Well pull the curtains on the night  
Sometimes it isn't worth the fight Just to feel alright  
Just to feel alright  
Just to feel alright  
Just to feel alright  
Just to feel ALRIGHT!
