

# Don't Be Light (Neptunes Remix)

Air

Don't be lightDon't be light  
Don't be light  
Maybe like meDon't be light  
Don't be light  
Don't be light  
Maybe like meDon't be lightDon'tDon't  
Don't be light  
Don't  
Maybe like me  
Don't be light  
Don't be light  
Don't be light  
Maybe like meDon't be lightDon't be light, don't be light  
Ahh, wild life  
The gray surprises of our days  
Singing in caves  
Fabricating a new abandonWe don't see the master's hand  
We bang on gold tambourines  
In the cross hairs of some transient gun  
Trading desires on the banquet lineLa la la  
La la la  
La la la  
Don't  
Don't be light  
Don't  
Maybe like meDon't be light  
Don't be light  
Don't be light  
Maybe like meDon't be light
