

# You Spin Me 'Round

## Thalia

If I, I get to know your name  
Well if I, could trace your private number baby  
All i know is that to me  
You look like you're lots of fun  
Open up your lovin arms I want some, want some.(Chorus) \*You spin me right round baby  
right round  
like a record baby right round round round (2x)\*I set my sights on you (And no one else will  
do)

And I, I've got to have my way now baby  
All i know is that to me You like like you're havung fun  
Open up your lovin arms  
Watch out here i come  
(chorus)

I got to be your friend now, baby  
And i would like to move in just a little bit closer

All i know is that to me  
You look like you're lots of fun  
Open up your lovin arms  
Watch out here i come(Chorus)

I want your love...

I want your love...

All i know is that to me  
You look like you're lots of fun  
Open up your lovin arms  
Watch out here i come  
(Chorus)

I want your love...

I want your love...

(Chorus repeat and fade)
