## The Cure

Golden midnight  
Taking us across the water  
Holy love sing  
We're falling close in every other  
As dawn breaks I wonder  
Sun's growing old  
Ours is not to wonder  
To never grow old  
To never grow old  
Oh Ariel  
I will always feel right out here  
?  
?  
Sister and brother  
Never loved each other like this  
? on the water  
And never fall  
You never fall  
Ariel  
Ariel...
