

Western Stars (KCRW - Live from Malibu PAC)

[k.d. lang](#)

Western stars light up the sky
Hear the desert wind roll by
Tonight, tonight Western stars can break your heart
They keep shinin' when we're apart
Tonight, tonight I watch, I wait
How long will my heart ache
Tonight, oh tonight
I watch, I wait
My heart is bound to break
Tonight
Western stars light up the sky
Tonight I'm alone to cry
Tonight
I watch, I wait
My heart is bound to break
Tonight(repeat*)Tonight, tonight
