

My Baby Don't Love Me Blues

The Brian Setzer Orchestra

My baby she don't love me
She's never thinkin' of me
I guess I got
My baby don't love me blues
If it's true what I'm thinkin'
She's on the town slinkin' all around
My baby don't love me blues Well if I ever get to China
I'm gonna dig a hole to Carolina
I guess I've got
My baby don't love me blues I never said I didn't need you
I only said I'd never leave you
I guess I got
My baby don't love me blues
Now she ain't never never comin' home
An I must stand all alone
I guess I've got
My baby don't love me blues
