My Baby Don't Love Me Blues

The Brian Setzer Orchestra

My baby she don't love me She's never thinkin' of me I guess I got My baby don't love me blues If it's true what I'm thinkin' She's on the town slinkin' all around My baby don't love me bluesWell if I ever get to China I'm gonna dig a hole to Carolina I guess I've got My baby don't love me bluesI never said I didn't need you I only said I'd never leave you I guess I got My baby don't love me blues Now she ain't never never comin' home An I must stand all alone I guess I've got My baby don't love me blues
