Losing You (feat. Anthony Hamilton)

[Keyshia Cole](#)

It's been too long, baby
Since you've been gone from me
And I miss your touch
'Cause no one could ever, no
Love me the way you do, oh no, no, noOh, and taking me away from you
Will be no damn good for me
I need you in my life
No one could compare to youI'm so confused
Don't know if I'm losing you
I'm so confused
Don't know if I'm losing you
(Baby)
And there's no way I could ever
Find someone real as you
Keep it true like you do
And I don't wanna lose your love, oh
Over being hurt before
Being afraid before, noAnd taking me away from you
Will be no damn good for me
I need you in my life
No one could compare to youI'm so confused
Don't know if I'm losing you
(I don't wanna lose your love, baby)
I'm so confused
(Baby, baby, baby, baby)
Don't know if I'm losing you
(Please tell me you understand)
Baby, I know what you've been through
So I'm here to relieve you
Remind you, renew you, rebuild you
Girl, I'll doWhatever it takes just
To reshape what, what he messed up
'Cause real love needs real love
And I'm here love 'cause I need youAnd taking me away from you
Will be no damn good for me
Said I need you in my life
No one could compare to youI'm so confused
Don't know if I'm losing you
(Don't be confused girl, I'll never leave you baby)
I'm so confused
Don't know if I'm losing you
(I don't know what I'll do without your love, baby, oh yeah)Don't wanna lose your love

Don't wanna lose you
