

# Rebel Warrior

## Asian Dub Foundation

Ami bidrohi!  
I the rebel warrior  
I have risen alone with my head held high  
I will only rest  
When the cries of the oppressed  
No longer reach the sky  
When the sound of the sword of the oppressor  
No longer rings in battle  
Hear my warcry! I'm hear to teach you a lesson  
I'm hear to torture your soul  
I'm the itch in your side that's got out of control  
'gonna prey on your conscience  
You'll be praying for forgiveness  
Seen all the evidence  
No longer need a witness  
So take my word man  
Here's my sentence  
One hundred thousand years of repentance.  
Check my anger, it's real  
Ain't no token  
I'll be satisfied only when your back's been broken  
It's my burning ambition to burn down your empire  
Man I'll be building you a funeral pyre  
The fire in my eyes  
If looks coulda kill  
I won't be satisfied until I've had my fill.  
Check my anger, it's real  
Ain't no token  
I'll be satisfied only when your back's been broken Ami bidrohi!  
I the rebel warrior  
I have risen alone with my head held high  
I will only rest  
When the cries of the oppressed  
No longer reach the sky  
When the sound of the sword of the oppressor  
No longer rings in battle  
Hear my warcry! (H-h-hear my warcry!)  
Rebel warrior Repetitive beats beating against your skull  
I'll be striking you down  
To the sounds of the wardrum  
The doum!  
The doum of the dhol

Taking it's toll  
Null and void is what you've become  
An underground army with my brothers and sisters  
Hand to hand fighting  
Building up a resistance  
Repetitive beats beating against your skull  
Null and void is what you've become Ami bidrohi!  
I the rebel warrior  
I have risen alone with my head held high  
I will only rest  
When the cries of the oppressed  
No longer reach the sky  
When the sound of the sword of the oppressor  
No longer rings in battle  
Hear my warcry! (H-h-hear my warcry!) Rebel warrior A radical fusion  
Strange alliance  
The siren and the flute in unison  
'cos it's a part of my mission  
To break down division  
Mental compartments  
Psychological prisons. I'll be sowing the seeds of community  
Accommodating, every colour, every need  
So listen to my message and heed my warning  
I'm telling you know  
How a new age is dawning Ami bidrohi!  
I the rebel warrior  
I have risen alone with my head held high  
I will only rest  
When the cries of the oppressed  
No longer reach the sky  
When the sound of the sword of the oppressor  
No longer rings in battle  
Hear my warcry! (H-h-hear my warcry!) Ami bidrohi! ami bidrohi!  
Yes the unity of the hindu and the muslim  
Will end your tyranny  
Ami bidrohi! ami bidrohi!
