Remember to Feel Real (Machine Shop Remix)

[Armor for Sleep](#)

So here's the truth you were right all along
They were never my friends and I was living a lie
But I won't fall for it next timeYou figured me out, I'm like a leaf in the wind
I try and find who I am but wind up lost in the end
Sometimes it's hard to know what's real when you're not'Cause you know I change myself to impress
Whoever happens to be next to me
But I'm sick of trying so hard
Waste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for you
Waste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for youEvery day I'm just making my rounds
Just digging a home six feet underground
Sometimes it's hard to know what's real when you're not'Cause you know I change myself to impress
Whoever happens to be next to me
But I'm sick of trying so hardWaste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for you
Waste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for youNothing's here for me
Nothing's here for me, but you
Nothing's here for me, but you
Waste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for you
Waste all your time with me, I know I'm a mess right now
Don't give up, believe, I'd wait it out for you
I'd wait it out for you, I'd wait it out for you
