

# The Chain (From "Gears 5")

## Evanescence

Listen to the wind blow  
Down comes the nightBreak the silence  
Damn the dark  
Damn the lightAnd if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chainAnd if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain  
You would never break the chain  
Listen to the wind blow  
Watch the sun riseRunning in the shadows  
Damn your love  
Damn your liesBreak the silence  
Damn the dark  
Damn the lightAnd if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chainAnd if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain  
You would never break the chainChain, keep us together  
Chain, keep us together  
Chain, keep us together  
Chain, keep us togetherChain, keep us together  
Chain, keep us together  
Chain, keep us together  
Chain, keep us togetherAnd if you don't love me now  
You will never love me again  
I can still hear you saying  
You would never break the chain  
You would never break the chain
