## **Orange Sky**

## **Alexi Murdoch**

Well I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother standing by
With my brother standing by
I said, "Brother, you know you know
It's a long road we've been walking on
Brother, you know it is you know it is
Such a long road we've been walking on."

And I had a dream

I stood beneath an orange sky

With my sister standing by

With my sister standing by

I said, "Sister, here is what I know now

Here is what I know now

Goes like this.

In your love, my salvation lies

In your love, my salvation lies

In your love, my salvation lies

In your love, in your love, in your love.""But sister you know I'm so weary

And you know, sister

My heart's been broken

Sometimes, sometimes

My mind is too strong to carry on

Too strong to carry on"

"When I am alone

When I've thrown off the weight of this crazy stone

When I've lost all care for the things I own

That's when I miss you, that's when I miss you, that's when I miss you

You who are my home

You who are my home

And here is what I know now

Here is what I know now

Goes like this.

In your love, my salvation lies

In your love, in your love, in your love"Well I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother and my sister standing by
With my brother and my sister standing by
With my brother and my sister standing by
