

# Walk Beside Me

Tim O'Brien & Darrell Scott

Put one foot in front of the other  
Steppin into the here and now  
I'm not sure just where I'm goin  
but I will get there anyhow I got this far with no direction  
Followed my nose to where I stand  
My heart's still strong, I know I'll make it  
Sit right down in the promised land Sister come and walk beside me, until our pathways do  
divide  
Nothin much but love to give you, even less have I to hide  
When you left me in the spring time  
So many questions in my mind  
Summer came and left me waitin  
Not one answer could I find I see you in the Rocky Mountains  
I feel you on the great North Sea  
It's a lonesome road I have to travel  
But you will always be with me Brother come and walk beside me, until our pathways do divide  
Nothin much but love to give you, even less have I to hide  
I hear laughter in the thunder  
I feel comfort on the wind  
I see hope in hopeless faces  
Someday they will love again People come and walk beside me, until our pathways do divide  
Nothin much but love to give you, even less have I to hide
