

Milk and Honey (feat. Shana Tucker)

The Foreign Exchange

In the land of milk and honey
There's a place where love can do no wrong
With fields of green and blue and violet
Let the wind sing you a simple song
In the land of milk and honey
There is peace for you and fear is gone
And underneath our new horizon
I will dance with you until the dawn
Of cloudless skies and crystal streams
A taste of life we'll fly beyond your wildest dreams
And you'll see, nothing can compare to this
Let it go, I'll show you what perfection is
I will dance with you until the dawn
