

T.O. (feat. O.T. Genasis)

Lil Wayne

[Lil Wayne:]

GrrrI did not come here to see who was litty
That stamp on the kilos the key to the city
Put some on my thumb and did not make her lick it
She can't feel her tongue, well, bitch, I beg to differ
I smoke gasoline and I sip down some lean
My whole tangerine on this dick, trampoline
I chop you up, they call them amputees
I spit these fast, they call this fast machine
I drop a four in this, I'm feelin' glorious
Gun on Big Pun, and my clip on Notorious
Bitch, I'm the man, no, the Mandalorian
I'm in a DeLorean, and, nigga, I'm floorin' it
I got my whore in it, that bitch a foreigner
Pourin' her heart out, I'm just ignorin' her
I let my hair down, I'm finna go throw her in the bedroom myself
And that pussy, no coroner
I can't smoke Reggie, I be too edgy
My bitch a veggie, bitch, I'm a legend
Pull out my flag, and these niggas start pledgin'
Go pull up whenever, we ain't gotta schedule it
Boy, I'm a president, presidential Rollie, bezzle it heavily
Inspect it carefully, I'm smokin' like I'm in the Netherlands
Like I'm a hippie that's stuck in the 70's
You with your buddies, I'm with my bloodies
And that's ain't not flag, lil' nigga, this rugby
Duct-tape that nigga up until he a mummy
Then put him in a freezer until we get hungry

[Lil Wayne (O.T. Genasis):]

Hmph, I keep my foot on gas, bitch
Nigga, tell me where to go (Tell me where to go)
I shot the plug in the foot 'cause he was steppin' on the dope (No, no, no)
