

# On a Roll

## Icona Pop

I'm waking up, up on the floor, still looking perfect  
I'm walking out, out through the door, into the circus  
I jump the train, I never pay 'cause I'm a rock star  
You go with me, there will not be drinking of tea ahAin't got a buck, I got the lock, that's how I  
run it

Down on the ground, I found a brand new crispy hundred  
I took it straight down to the bar 'cause I'm a rock star  
You go and pee, your drink is so safe with meOn a roll again  
Rock n' roll again  
On a roll again  
Rock n' roll again  
Yeah yeah yeah

I'm waking up, up on the floor, still looking perfect  
I'm walking out, out through the door, into the circus  
I jump the train, I never pay 'cause I'm a rock star  
You go with me, there will not be drinking of tea ahI know you like, like what you see, well I  
can't help it

Sit next to me, buy me a treat, let's not be selfish  
Hey now our friends don't wanna dance, just drink at your expense  
So good to be, so so so good to be meOn a roll again  
Rock n' roll again  
On a roll again  
Rock n' roll again

Yeah yeah yeahEverything that's free tastes better  
Pour another drink, I'll have her  
She didn't wear it very well, whatever  
Hope I feel like this forever  
On a roll again  
Rock n' roll again  
On a roll again  
Rock n' roll again  
Yeah yeah yeah
