

# Girl Gone Bad

## Van Halen

Ah, lazy eyes in the summer heat  
Fresh from out of town  
Now she's workin' on the street  
Shake them poor boys down (Girl) Ooh, girl gone bad, yeah-ah  
(Girl) Girl gone bad Found that girl with a lonesome John  
When she should have been with me  
Guess that woman fall in love  
She don't work for free  
(Girl) Girl gone bad, yeah  
Ah! Ah! Ah! Aaah! Ooooooo-oh!  
Ooooo-oh!  
Oh! Mmmmm...  
(These streets are mean ashes?)  
I don't call them my own  
Ah  
(Girl) Girl gone bad  
(Girl) Oh girl, girl gone bad  
(Girl) Ow! Yeah-ah-ah, ooh ooh ooh!  
(Girl) Ooh oh! Whoa! Whoa!  
(Girl) Yeah! Ahh...  
(Girl) Shake! Shake! Ooh!
