

Illuminate

Sub Focus & Wilkinson

It's not Jay-Z and Beyonce
It's not Nicki or Lil Wayne
It's not Oprah and Obama
The Pope or Rihanna
Queen Elizabeth or Kanye
It's not pentagrams or witchcraft
It's not trying to s-stack for cash
Black magic or Gaga
Gucci or Prada
Riding on a golden cat
The all-seeing eye is watching tonight
That's what it is, truth and light
The all-seeing eye is watching tonight
Nothing to hide, secrets inside
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's the enlightenment that started it all
The founding fathers wrote it down on a wall
And now the media's misleading us all
Turn right into wrong
It's time to dance and turn this dark into something
So let the fire burn, this music is bumping
We're gonna live forever, love never dies
It starts tonight
Behind the curtain of the new world order
It's not platinum encrypted corners
It's not ISIS or the phoenix, pyramids of Egypt
Don't make it into something sordid
It's not Steve Jobs or Bill Gates
It's not Google of the United States
It's not Bieber or LeBron
Clinton or Ban
Or anyone you love to hate
The all-seeing eye is watching tonight
That's what it is, truth and light
The all-seeing eye is watching tonight
Nothing to hide, secrets inside
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's like everybody in this party,

shining like Illuminati (woh woh woh woh)
You know that everything that glitters ain't gold
So let the music take you out of control
It's time to feel it in your body and soul
Come on, let's go
We're gonna dance and turn this dark into something
So let the fire burn, this music is bumping
We're gonna live forever, love never dies
It starts tonight (tonight, to-tonight, tonight, tonight)
It's like
It's like
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
Like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's like everybody in this party,
shining like Illuminati (woh woh woh woh)
It's like everybody in this party, shining like Illuminati
It's like everybody in this party, shining like Illuminati
Everybody in this party, shining like Illuminati
It's like everybody in this party, shining like Illuminati
