

Salvation Jane (Outtake)

INXS

One chain to the mountain
Two feet in the chain
Three fires approaching
Four hours away A sol invictus the invincible sun
The night is almost come Five times the assassin
Six species destroyed
Seven valleys are numbered
Eight years till they're gone Just when I thought
I'd die on this rock
I see a face I know
Salvation Jane
Wild wild flower of love
Salvation Jane
You've got the power to change
You're such an easy prey Nine times the protector
Ten years and a day
Eleventh hour we're facing
It's twelve o'clock in the sun Oh mother nature
We're trying to kill you
We're such greedy fools Salvation Jane
Wild wild flower of love
Salvation Jane
Wild wild power of change
You're such an easy prey
Thirteen grand designs
Fourteen you're walking the wire
Fifteen is when you're lonely
Sixteen is a long way there
Seventeen she's a wildflower
Eighteen is a whirl
Nineteen she's a mother
At twenty minutes ago Salvation Jane
Wild wild flower of love
Salvation Jane
Wild wild flower of change
You're such an easy prey You're such an easy prey
