

Everybody Talks

Neon Trees

Hey baby, won't you look my way?
I can be your new addiction
Hey baby, what you gotta say?
All you're giving me is fiction
I'm a sorry sucker and this happens all the time
I found out that everybody talks
Everybody talks, everybody talks It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I could hear the chit chat
Take me to your love shack
Mama's always gotta back track
When everybody talks back
Hey honey, you could be my drug
You could be my new prescription
Too much could be an overdose
All this trash talk make me itchin'
Oh my my
Everybody talks, everybody talks
Everybody talks, too much It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I could hear the chit chat
Take me to your love shack
Mama's always gotta back track
When everybody talks back Never thought I'd live
To see the day
When everybody's words got in the way

...

Hey sugar, show me all your love All you're giving me is friction
Hey sugar, what you gotta say?
It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I could hear the chit chat
Take me to your love shack Mama's always gotta back track
When everybody talks back
Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks

Everybody talks... back
It started with a whisper
And that was when I kissed her
Everybody talks
Everybody talks... back
