

Restore

Chris August

[Verse]

Nobody's growing old together,
We've made it easy just to quit
Love has become a negative percentage,
Why do we bother to commit[Verse]
We've got a long list of excuses,
Ways we try to justify
Well, I propose to you the truth is,
Marriage does not have to die[Chorus]
I know you're feeling like it's falling apart
And it can't go on anymore
But God is a God who knows how to heal
So just give it up to the Lord
And He will restore

[Verse]

He said with this ring I promise,
And with I do she said forever
But right now if they're being honest
They don't know if they'll stay together[Verse]
Let's fast forward to the future
After struggling on their own
They finally figured out they needed
Jesus in the middle
Now I'm watching God rebuild their home[Chorus]
I know you're feeling like it's falling apart
And it can't go on anymore
But God is a God who knows how to heal
So just give it up to the Lord
And He will restore

[Bridge]

The enemy tries to come and divide
Trying to get us give up the fight
But darkness will always lose out to light
Cause we've got the power of Christ
On our side I see you growing old together
I pray I find a love like yours[Chorus]
So if you're feeling like it's falling apart
And it can't go on anymore
But God is a God who knows how to heal
So just give it up to the Lord
And He will restore
Like it was before

You may have strayed off course
But He will restore
