

End of the Line (1999 Remaster)

Roxy Music

Think I'll walk out in the rain
Called you time and time again
I've got no reply, you've gone Reached the point of no return
The more I see the more I stand alone
I see the end of the line Were you ever lonely?
Mystified and blue?
Realizing only your number's up
You're through
Done my share of winning
Now's my turn to lose
After a fair beginning
The game's up I'm through Think I'll walk out in the storm
There's no love to keep me warm inside
And hope it's fine at the end of the line Now is the time to take a dive
Try a magic carpet ride
Everything is wrong
You've gone
If you ever miss me
If I should cross your mind
You know where to find me
I'll be waiting at the end of the line
