

# Suzanna

## Sauti Sol

Oh Suzanna, I hope your happy now  
I see you flexing on the gram with your sponsor  
Suzanna, I hope your happy now  
I see you change your skin colour  
And your hair is longer now Nakuona Paris, hapo kando ya champs-élysées ukitesa na kamini  
ye...  
None of my business  
And I see you in London, silicon on your bum bum  
Shaking what your doctor gave you  
On your worst behaviour  
Suzanna bhane Senje halo halo halo  
If you get to hear this song, somebody loves you  
Senje halo halo halo  
Change your mind and come back home  
Somebody loves you  
Suzanna... Mwananmke tabia  
Shepu ni majaliwa  
Ila wengi walinyimwa tabia  
Shepu kabarikiwa  
Mwanaume hisia  
Pesa ni majaliwa  
Ila wengi walinyimwa hisia  
Na pesa kabarikiwa Nakuona Brazil  
Hapo Rio de Janeiro, eh  
Ukiongezewa nywele senje  
None of my business  
And I see you in China  
With the latest designer  
Shaking what your doctor gave you  
On your worst behaviour  
Suzanna bhane  
Senje halo halo halo  
If you get to hear this song, somebody loves you  
Senje halo halo halo  
Change your mind and come back home  
Somebody loves you Ai senje nakosa usingizi usiku kucha mi nadua  
Ai senje akilini moyoni bado we wanizuzua  
When are you coming home senje  
Tell me are you on your way  
Tufe tukipendana kiromeo na julia  
Ai senje nakosa usingizi usiku kucha mi nadua  
Ai senje akilini moyoni bado we wanizuzua

When are you coming home senje  
Tell me are you on your way  
Tufe tukipendana kiromeo na juliaSenje halo halo halo  
If you get to hear this song, somebody loves you  
Senje halo halo halo  
Change your mind and come back home  
Somebody loves youSenje halo halo halo  
If you get to hear this song, somebody loves you  
Senje halo halo halo  
Change your mind and come back home  
Somebody loves you
