

# No Good For You

Meghan Trainor

I miss that happy friend that I had  
You been acting so sad  
Won't you come back?  
Yeah, yeah You never take the town with your girls no more  
Always with your new boy  
But he ain't all that  
but you don't know it yet Oh his kiss is soft and sweet  
And he swept you off your feet  
But he's no good for you,  
he's no good for you  
and I'm sure he's worth a lot of gold  
But you're better than you know  
And he's no good for you,  
he's no good for you hey!  
That boys no good for you  
You're way too good for him  
That boys no good for you, for you  
Woah, woah, woah  
no he no good, he no good for you  
Woah, woah, woah  
no he no good, he no good for you He drives those fancy cars that you like  
But he doesn't call you at night  
and tell you he loves you  
And he's thinking of you No you can't take him home for the holidays  
Better keep him away  
Cause he's such a tool, girl  
And everyone would say I bet...  
Oh his kiss is soft and sweet  
And he swept you off your feet  
But he's no good for you,  
he's no good for you  
and I'm sure he's worth a lot of gold  
But you're better than you know  
And he's no good for you,  
he's no good for you, hey! That boys no good for you  
You're way too good for him  
That boys no good for you, for you  
Woah, woah, woah  
no he no good, he no good for you  
Woah, woah, woah  
no he no good he no good for you Won't you take it from a friend  
That boy is not a gentleman

And you'll find out soon enough  
What you're feeling it ain't love  
Cause he called me yesterday  
And he asked me on a date  
Tried to play you like a fool  
And that's why I'm calling you Oh his kiss is soft and sweet  
And he swept you off your feet  
But he's no good for you,  
he's no good for you  
and I'm sure he's worth a lot of gold  
But you're better than you know  
And he's no good for you,  
he's no good for you, hey! Oh his kiss is soft and sweet  
And he swept you off your feet  
But he's no good for you,  
he's no good for you  
and I'm sure he's worth a lot of gold  
But you're better than you know  
And he's no good for you,  
he's no good for you, hey! That boys no good for you  
You're way too good for him  
That boys no good for you, for you  
That boys no good for you  
You're way too good for him  
That boys no good for you, for you, hey!
