

# Marvellous

## Dragonette

Oh my you're driving me crazy  
Don't know why I want you baby  
My eyes are bigger than my mouth but maybe  
I could learn to be your lady My heart goes boom boom boom  
When you walk into the room  
Whom should I say is calling me  
Why you wanna give me trouble baby Uh uh uh uh uh uh-uh Tell my eyes just not to stare  
Don't look now, he's over there  
They say you're bad news, I don't care  
I just can't stop  
You're dangerous  
Oh oh  
You're marvelous  
I'm a fool for your wickedness  
I think you're really working it, you're cruel  
And I'm getting myself into trouble Uh uh uh-uh-uh Damn, here I go again  
I can't stop my thoughts from thinking  
When will it ever end  
I can't stop my heart from pumping, from pumping  
Boom boom, why are you so cruel? Dan: I'm not cruel, I know a lot of girls like you  
Martina: Not true, not girls not just like me  
Dan: They're just like you  
Martina: Not just like me  
Dan: They're just like you, they're trouble too  
Oh, You're dangerous  
Oh oh, You're marvelous  
I'm a fool for your wickedness  
You're trouble but I'm loving it, you're cruel  
And I'm getting myself into trouble  
Getting myself into trouble  
Getting myself into trouble Maybe you've got to tell no others  
Maybe you'll tell me not to bother  
Baby if I could have my druthers, I'd get you one way or another  
And I know all about you  
I know I shouldn't want you  
I do, it's true, I'm looking for trouble Dan: You're the kind of girl who loves a little trouble,  
honey don't you?  
Martina: Not true, not girls not just like me  
Dan: I know a dozen others like you  
Martina: Not just like me  
Dan: Yes, I do, they're trouble too Oh, You're dangerous  
Oh oh, You're marvelous

I'm a fool for your wickedness  
I'm getting myself, getting myself into trouble  
You're dangerous  
I'm a fool for your wickedness, I think you're really working it, you're cruel  
And I'm getting myself into trouble
