

# Lonesome Dove

Trisha Yearwood

(Carl Jackson - Larry Cordle) I hear a lonesome dove off in the distance  
His cry echoes out through the hill  
He's sad that his lover flew off with another  
And I know the sorrow he feels. Lonesome dove, we're not that different  
You sing a sad song but you're not alone  
You've been forever forsaken by the one that you love  
I know how you feel lonesome dove.  
Ooh, I know how you feel lonesome. --- Instrumental --- I've tried to run from the pain of his  
mem'ry  
But I can't find a place I can hide  
And that old lonesome dove is gonna mourn for his love  
No matter how far he flies.  
Lonesome dove, we're not that different  
You sing a sad song but you're not alone  
You've been forever forsaken by the one that you love  
I know how you feel lonesome dove.  
Ooh, I know how you feel lonesome...
