

# Howling at the Moon

## D Fine Us

I came from the mud  
There's dirt on my hands  
Strong like a tree There's roots where I stand Oh I've been running from the law  
Hope they won't shoot me down soon  
Pacing on a sleepless night  
Try to catch me howling at the moon Try to catch me howling at the moon  
Try to catch me howling at the moon  
Try to catch me howling at the moon  
When it rains it pours  
Water's up to my chin  
Won't stop fighting  
To the very end  
Many men try to reach it  
Many men have failed  
If you wanna get to heaven  
You gotta raise a little hell Oh I've been running from the law  
Hope they won't shoot me down soon  
Pacing on a sleepless night Howling at the moon  
Will you find me?  
Hope you find me  
I'll be back home soon  
When the sunrise  
When the sun Rise  
Try to catch me howling at the moon  
Try to catch me howling at the moon
